We are looking for Lawyers - it might be you...

Here at Stuart Fantham & Company, we pride ourselves on the legal services we provide and to enable us to continue in our quest, we are looking to add to our team based in Wendover.

The office deals with a host of legal services – this ranges from all aspects of Residential Conveyancing to Commercial Property matters, from Wills and Probate to Lasting Powers of Attorney.

We do not operate a “Monday to Friday, 9 to 5” mentality and look to everyone in our Team to use their initiative in a forward-thinking way, being super-efficient and pro-active on the one hand and positive, bright and friendly on the other. We always try and break down the barriers which might turn off potential Clients - for example, one of our strap-lines invites potential Clients to “Call, Click or Come in....”

The public often have a set perception of Solicitors and we will be looking for people to buck that trend.

You will need to demonstrate a “Can Do” attitude and approach.

You may be qualified – a Solicitor, Legal Executive, Licensed Conveyancer, for example – or may instead have the benefit of the kind of experience that goes with being a Paralegal, Legal or Conveyancing Assistant or a Legal Secretary who has worked in a ‘hands-on’ environment.

Whatever your legal background, you will certainly not be shy of hard work or thinking ‘outside of the box’.

You will need to demonstrate an understanding of the Solicitors Accounts Rules and the Solicitors Regulation Authority’s Code of Conduct.

If you think that you can make a difference, please write to us with not only your CV but also with that *something extra* that might make us take notice.
